

# Libellule

Chi ha visto delle libellule?  
Dove?  
Quando?

Piccola descrizione: colore, addome, ali

Ora vedremo un video e faremo due cose:

## 1. Conoscere qualcosa sulle libellule

- Occhi
- Ali
- Movimento
- Metamorfosi
- Habitat

2. Cercare indizi per dimostrare che hanno ragione gli inglesi che chiamano la libellula **dragonfly**
